Opening and Grading Ventura Lane

At the time Ventura Lane was officially dedicated as a street per Declaratory Resolution 1164-1965, we informed the residents that the barricade would remain until after Paulding Road paving was completed. Now that same is completed, you are hereby requested to remove the barricades and apply any surface material that is required. We understand traffic is now going around the barricades and are on private property.

Declaratory Resolution, drawing and property ownership list completed and attached.

The plat of South Side Suburban Place was filed in the office of the County Surveyor but was never properly recorded in the Allen County Recorders Office. For this reason there is some question as to the legality of the plat and whether or not Ventura Lane is actually a public street right of way. In any event, a strip of land 40 feet wide was designated for this purpose and the intent of a public street was obvious.

Opening of this street was attempted last year, under Declaratory Resolution 1121, but all action was rescinded at the public hearing. In order to clear the records on this matter, we recommend the adoption and approval of this resolution.

Dear Property Owners:

Pursuant to the Final Confirmation of Assessment Roll on Declaratory Resolution 1164-1965, Ventura Lane from the easterly property line of Decatur Road to the west line of Sylvan Park Addition, Section "B", is now an officially dedicated right-of-way.

As the owner of Lot No. 30, South Side Suburban Place Addition to the City of Fort Wayne, Indiana, you are hereby officially notified that you are unlawfully encroaching upon a dedicated street and hindering the free access to maintain utilities or public right-of-way.

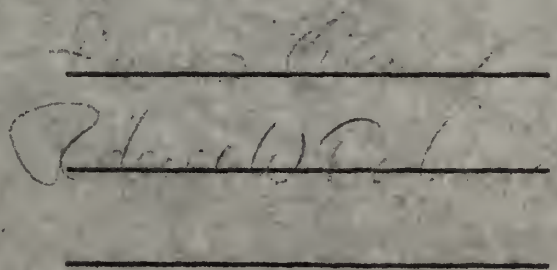

Under the laws of the State of Indiana, as well as under the Municipal Code of the City of Fort Wayne, the City is required to keep open and free from obstruction, all easements and right-of-ways within the City.

You are hereby notified that the obstruction which you are maintaining in this street must be removed from said street within 10 days and if you fail to do so at the end of the 10 day period from receipt of this notice, the City of Fort Wayne will be required to make this removal, at your expense.
